WELCOME MESSAGE 1 – 1:20 PM

DANCING TO MOTHER EARTHS DRUMS ARTIST - PAM CAILLOUX Indigenous Artist Collections

Ryan: As an organization and settlers on this land known as Kanata and Kanadario, we are proud to acknowledge those who were on this land before us.

We live, teach and practice on land that has been inhabited by Indigenous peoples from the beginning. As settlers, we are grateful for the opportunity to reside here, and we thank all the generations of people who have taken care of this land for thousands of years.

We acknowledge the traditional territory of the Anishinaabeg, Ojibway/Chippewa, Haudenosaunee, Neutral peoples and many other Indigenous peoples from across Turtle Island. Although this territory is covered by the Upper Canada Treatise, we acknowledge that we are also critical of the ways in which it has largely been breached by settlers and newcomers. We support the movement toward a renewed Indigenous sovereignty and deeply appreciate their historic connection to this place. We seek to learn more. (:55)

INTRODUCTION of DRAMA SOUND (1:00)

Ryan: Glenys Fuentes, a former OSSDF Board member, inspired the category of Creative Collaborations in 2015 to provide an opportunity for dancers to perform for free, and with the opportunity for adjudication but without the pressure of competition. To dance for the love of dance! Creative Collaboration has since become a favourite category for our participants and audiences. The choreography reflects the theme of each year's event using the beautiful music composed by her husband, Gato Fuentes, and provided annually, for free, by the company they co-founded, *DRAMA SOUND*. *We thank Glenys and Gato for their generous support of our choreographers and dancers.*
